CURRICULUM PLANNING

RPS Indore follows the core ideology of imparting child centric learning, perfectly blended with the NEP - 2020 and NCFSE -2023. Conceptual learning is strengthened with multifarious exposure and interdisciplinary activities.

Subject Enrichment Activities play a key role in cognitive enhancement and are instrumental in venturing beyond the textbooks for conferring learning relevant to the day to day life!

Club Activities keep the zest of hands-on learning alive and constructive presentation of the knowledge attained during such activities, make learning relatable and fun-filled! The curriculum also entails reaching out to the community and imbibing empathy through social welfare drives, such as charitable donations in orphanages and old age homes. Students gain an in-depth and holistic perspective towards life!

Curriculum Outline:

Education is the foundation for a rewarding future. It is a philosophy based on the premise that each person finds identity, meaning, and purpose in life through connections to the community, to the natural world, and to spiritual values such as compassion and peace.
